# *Greetings From The President*

Dear Grantee;

As we strive to inform the community who we are, the answer lies in what we have done. What we have done is really what you have done. We are so grateful and proud of our grantees and their commitment to serve our community.

Enclosed is a chronicle of Quantum Foundation grantees as of January 1, 2003, reflecting our grantmaking during the year 2002. Our hope is that this will be a tremendous resource to you to blur the boundaries and create connections. The more we work together the stronger and more able we will be to make a critical difference in a creative way in Palm Beach County.

Thank you for your service to our Community.

Sincerely,

Jeannette Corbett  
President/CEO

**Program:** The Palm Beach County Emergency Notification System

**Description:** *The purpose of this project is to implement an Emergency Notification System (ENS) for high-risk domestic violence victims in Palm Beach County. This system focuses on protecting victims from violence in their homes. Victims are provided with a safety device that alerts law enforcement to dispatch help to the victim's location when activated.*

**Program Contact:** Jeff DeMario, Program Supervisor

**Program:** Transitions Mentoring Program

**Description:** *The program pairs a teen with a caring adult, or mentor, who helps the teen through the difficulties of adolescence. Spending time with a young parent, the mentor helps improve how teen moms and dads interact with their child, encourages teens to complete school and reduces the chances of repeat pregnancies through the promotion of responsible sexuality. Mentors meet with their teen at least one time per week for an hour and the relationships are established for a minimum of six months.*

**Term:** 12 Months

**Program Area:** Health - Children

**Area Served:** Northern Palm Beach County

**Funding Partners:** Federal Office of Adolescent Pregnancy Programs  
Children's Services Council

**Program:**

Early Head Start and Head Start Programs

**Description:**

*The Head Start program is a national program which provides comprehensive developmental services for America's low income, pre-school children, ages 3 to 5, and social services for their families. The Early Head Start program is designed to provide early, intensive, and continuous support services to low income families with children under age 3, along with pregnant women. Early Head Start services have been designed to enhance the physical, social, emotional, and intellectual development of children in these families.*
