

# 5.5" x 8.5" Page

This layer is to be used as a guide only.  
Delete this layer before submitting  
your project for printing.

## BLEED

Extend images, photos and solid backgrounds 1/8" beyond the edge of the page to allow for trimming.

## TRIM

Indicates the edge of the page.

## SAFETY MARGIN

Keep all text and other critical information within 1/4" of the edge of the page.

## OTHER INSTRUCTIONS

Please ensure all images are 300 dpi  
*at the final size* for proper printing resolution.  
See our tech tips section for more information  
on printing resolution.  
Please ensure all images are CMYK.

To create a horizontal 8.5" x 5.5" page,  
rotate this guide 90°.
