

Die line

7" x 5" Tent Card

This layer is to be used as a guide only.
Delete this layer before submitting
your project for printing.
Keep the die line layer.

BLEED

Extend images, photos and solid backgrounds 1/8" beyond the edge of the page to allow for trimming.

TRIM

Indicates the edge of the page.

SAFETY MARGIN

Keep all text and other critical information within 1/4" of the edge of the page and the die line.

OTHER INSTRUCTIONS

Please ensure all images are 300 dpi
at the final size for proper printing resolution.
Please ensure all images are CMYK.

Keep the die line layer. It will not print.
